

MetroFuture Walks and Talks Presents:

Somerville Maple Syrup Boil Down

Saturday, March 3rd, 10:00-11:00 AM

***Somerville Community Growing Center,
22 Vinal Avenue, Somerville, MA***

Learn about some delicious local food production in Somerville and join Friends of MetroFuture for a morning tour with Chris Mancini of Groundwork Somerville! You will learn how syrup gets from the tree to your plate, the logistics of managing an urban sugar bush, and how to tap a tree with experienced city syrupers.

For more information and registration visit MetroFuture.org or contact Amanda Cleveland at acleland@mapc.org or (617)-451-2770 x2075.

MetroFuture is the Metropolitan Area Planning Council's plan for Greater Boston-to better the lives of the people who live and work in the region between now and 2030. Thousands of people collaborated to create a bold and achievable vision for future development and preservation.
